SEPARATION AND RECALL

- 28.1 **Reasons for Elimination of Professional Staff Positions**

- 28.1.1 It is recognized that the Board of Education has the sole and exclusive prerogative to eliminate professional staff positions, consistent with the provisions of the State Statute, providing such elimination does not result in a failure in its duty as a state agency to implement the educational interests of the State and to provide good public elementary and secondary schools. Elimination of professional staff positions may result from increases in student enrollment, changes in curriculum, severe financial conditions, or other circumstances as determined by the Board.

- 28.2 **Definitions**

- 28.2.1 As used herein, the term "days" shall mean calendar days.

- 28.3 **Procedure**

- 28.3.1 The Board may, in the first instance, exercise its right and power to reduce the number of staff positions without determining which teacher contracts will be terminated, if any, or what other staffing changes will be made to effectuate the purpose of position elimination.

- 28.3.2 Prior to commencing action to terminate teacher contracts under this procedure, the Board will give due consideration to its ability to effectuate position eliminations and/or reduction in staff by:

- (1) voluntary retirements;
- (2) voluntary resignation;

- (3) transfer of existing staff members;
- (4) voluntary leaves of absence.

28.3.3 In the event that it appears necessary to terminate teacher contracts in order to effectuate the elimination of professional staff positions, the Superintendent will propose to the Board, for its consideration, an orderly plan for elimination of positions, identifying professional personnel whose contracts he/she recommends for termination. If the Board considers termination of the contract of a teacher, it shall authorize the Superintendent to notify the teacher, in writing, that termination of his/her contract is under consideration or, where appropriate, that his/her contract will not be renewed for the coming school year. Such notification, and any subsequent proceedings with regard to contract termination, will be in accordance with the provisions set forth in the Connecticut Fair Dismissal Law (§10-151 of the Connecticut General Statutes).

28.3.4 The following criteria will be used to select those employees whose contracts are to be considered for termination as a consequence of elimination of professional staff position:

- (1) **Tenure Status:** If a teacher has attained tenure status, his/her contract of employment may be terminated if his/her position is eliminated, but only if there is no other position available in the school system for which the teacher is certified and qualified. Therefore, teachers who have acquired tenure will have first preference for retention in positions for which they are certified and qualified. This shall include first preference and with regard to positions that are held by non-tenure teachers, in addition to positions which are open and available.
- (2) **Other Criteria:** Within the separate categories of tenure teachers and non-tenure teachers, the following criteria will be applied sequentially:
 - (a) areas of certification
 - (b) in schools where there exists departments, the position eliminated in the department shall be deemed to be the position of the most junior member of the department;
 - (c) total years of experience in the Thomaston School System;
 - (d) in the event total years experience in the Thomaston School System is equal, total years of teaching experience shall be considered;
 - (e) In the event that the application of the criteria (a)(b)(c)(d) is not sufficient to determine which teacher's contract will be subject to

termination, the date of contract signing will be the determining factor.

28.4 Policy Provisions Not Applicable to Promotions

28.4.1 Nothing herein shall require the promotion of a teacher to a position of higher rank, authority, or compensation although the teacher whose contract is to be terminated because of elimination of position is qualified and/or certified for the promotional position.

28.5 Recall Procedure

28.5.1 If the contract of employment of a teacher is terminated because of elimination of positions, the name of that teacher shall remain on such recall list for a period of two (2) years unless such teacher obtains employment as a public-school teacher in another district during that period. Teachers on the recall list shall be recalled in inverse order of dismissal. Notice of recall shall be at least thirty (30) days prior to the anticipated date of reemployment. The teacher shall accept or reject the appointment in writing within ten (10) days. If the appointment is accepted, the teacher shall receive a written contract within twenty (20) days of receipt of the teacher's reply by the Board. If the teacher rejects the appointment offer or does not respond accordingly to this procedure within the ten (10) days, then the name of the teacher will be removed from the recall list. Upon reemployment in a permanent position the teacher shall be given full credit on the salary schedule for all previous teaching experience credit. Teachers who accept long-term substitute positions shall be placed on the first step of the Bachelor's column. Such teachers shall remain on the recall list at their appropriate ranking for recall to any permanent position for which they are certified.

28.5.2 The Administration shall publish the recall list prior the March 1st of each year.

28.5.3 Persons holding durational area shortage permits are not entitled to this article.

The Board agrees that the Association shall assume the exclusive legal defense of any such claim or lawsuit. In assuming such defense on the Board's behalf, the Association will hire and compensate legal counsel. Legal counsel hired by the Association shall confer with the Board or its representatives concerning the defense of claims and lawsuits against the Board. Said plan will be designed to permit exclusion from taxable income of the employee's share of health insurance premiums, allowable medical expenses and dependent care pursuant to IRS regulations for those employees who complete and sign the appropriate wage deduction form. The Thomaston Board of Education shall incur no obligation to engage in any form of impact bargaining in the event that a change in law reduces or eliminates the tax-exempt status of the employee insurance premium contributions, allowable medical expenses and dependent care. Neither the Association nor any employee covered by this agreement shall make any claim or demands nor maintain any action against the school district or any of its members or agents for taxes, penalties, interests or other costs or loss arising from the use of the wage deduction form or from a change in law that may reduce or eliminate the employee tax benefits to be derived from this plan. Rather, the parties agree that the health insurance benefits and the administration of those benefits shall continue to be governed by the collective bargaining agreement and the carriers' insurance plan.

On an annual basis, in the event that the employee and his/her family members on the Board health insurance plan completes a health risk assessment and biometric screening, his/her premium share for the ensuing contract year shall be reduced by one percent (1%).

On July 1st of the subsequent contract year, the premium share set forth herein shall be in effect for the employee. Accordingly, the reduction in the premium share by one percent (1%) shall be based on the then current premium share negotiated by the parties for the contract year in question, as set forth herein.

The information included on the assessment and from the screening will not be provided to the Board. The only information provided by the carrier to the Board is whether the assessment and screening were completed.

The health risk assessment shall be:

- An annual physical (and any tests related to such physical);

- An annual dental examination;
- A vision exam (in accordance with the frequency requirements of the health care provider);
- Women's Wellness (a mammogram and/or clinical breast exam in accordance with the frequency requirements of the health care provider); and

contribute thirty-five percent (35%) of the deductible.

Fifty percent (50%) of the Board's percentage of the contribution toward the deductible shall be deposited in the HSA bank account of the employee in the first paycheck of the then current school year and the remaining fifty percent of the Board's percentage of the contribution shall be deposited on or about February 1st in each contract year.

The employee's contribution toward the deductible shall either be, at the employee's option, via payroll deduction or contributed directly by the employee in his/her HSA bank account.

An employee shall receive a prorated contribution toward his/her HSA, if the employee: (a) is hired by the Board after the commencement of the applicable plan year; or (b) he/she elects health insurance after the commencement of the plan year due to a change in status.

The prorated amount of the contribution shall be based on the first day that the employee is covered under the plan through June 30th of the applicable contract year.

A HSA is not health insurance, it is a bank account. The parties acknowledge that the Board's contribution toward funding the deductible is not an element of the underlying plan, but rather relates to the manner in which the deductible shall be funded for active employees.

- 33.1.2 The Board provides a forty thousand dollars (\$40,000.00) life insurance policy with forty thousand dollars (\$40,000.00) of accidental death and dismemberment.

The “substantially equivalent to or better than” standard shall be applied on program-

wide analysis, including the network, and shall not be benefit specific.

- 33.1.7 Prior to any change in carrier, the proposed change shall be discussed with the T.E.A. Any dispute as to the contention that coverage is not equal may be referred to the grievance procedure. The grievance will be submitted directly to the American Arbitration Association. Such submission must be filed within twenty (20) calendar days from the meeting where the issue was discussed with the T.E.A. The Board will not change to the new insurance carrier until the arbitrator's decision has been issued in writing. If no grievance is submitted within the twenty (20) day period, the Board may implement the change of carrier.

- 33.2 Except as set forth below, teachers are given the opportunity, via the flexible benefit form, to voluntarily waive health and dental coverages which are extended to them. Any teacher electing this option will be reimbursed one thousand five hundred dollars (\$1,500.00) (single), three thousand dollars (\$3,000.00) (single plus one) or four thousand dollars (\$4,000.00) (family). Should a life style change occur resulting in a teacher's desire to reinstate his/her coverage, then said teacher should notify the Superintendent in writing of that decision. They will then be allowed to participate in the insurance program at the earliest date permitted under the rules and regulations of ConnectiCare at the commencement of the next quarter following such request. THOMASTON PUBLIC SCHOOLS
TITLE IX BOARD POLICY

Non-discrimination on the Basis of Sex in Education Programs and Activities

A. General. Title IX of the Education Amendments of 1972 declares, in part, that:

No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

The Board of Education is of the general view that discrimination on the basis of sex in any education program or activity of this district is not to be permitted except where necessary to accomplish a specific purpose that does not impinge upon essential equality of fundamental fairness in the treatment of students or employees of this district. Accordingly, employees of this district are required by this policy to comply with the provisions of:

1. this policy as in the case of any rule or regulation adopted by the board of education of this district; and,
2. Title IX of the Education Amendments of 1972 and the regulations promulgated there under by the U.S. Department of Health, Education, and Welfare, as Part 86, Title 45, U.S. Code, printed also in U.S. Federal Register, Vol. 40, No. 108, Wednesday, June 4, 1975, as amended, as Title IX and as such regulations are applicable to this district.

B. Application to Specific Education Programs and Activities. This policy's prohibition against action by employees or other persons acting in the name and on the behalf of this district which bases any exclusion from participation in, denial of benefits from, or discrimination in, any educational program or activity because of the sex of a student or employee, applies to all education programs and activities conducted by this district, including, but not limited to, the following:

1. Educational Programs

- a. Course Offerings. Applies to all course offerings, except that with respect to physical education classes and activities at the elementary and secondary school levels, compliance shall be attained as expeditiously as possible but in no event later than July 21, 1976 at the elementary school level and July 21, 1978 at the secondary school level. This policy's prohibition does not prohibit:

1. groupings of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex;
 2. separation of students by sex within physical education classes or activities during participation in wrestling, field hockey, football, basketball, and other bodily contact sport;
 3. separation of students by sex in classes dealing exclusively with human sexuality; and,
 4. separation of persons based on vocal range or quality even though such separation may result in chorus or choruses of one or predominately one sex.
- b. Athletics. Applies to all athletic programs or activities except that separate teams for members of each sex may be operated:
1. when the sport involved is a contact sport; or
 2. where selection for the separate teams is based upon competitive skill, provided that where there is not now and has been no such team for the excluded sex, members of the excluded sex must be allowed to try-out for the team unless the sport involved is a contact sport, as defined in 1.a.2. of this policy above.

Moreover, equal athletic opportunity shall be provided for members of both sexes, including equal provision for equipment, supplies, coaching, facilities, services and publicity, except that unequal aggregate expenditure of funds for members of each sex or male and female teams will not in and of itself constitute a violation of this policy.

Full compliance with this shall be attained as expeditiously as possible but in no event later than July 21, 1976, at the elementary school level and July 21, 1978 at the secondary school level.

- c. Counseling. Applies to all counseling and guidance activities at the elementary and secondary school levels.
 - d. Textbooks. Nothing in this policy shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curriculum materials.
2. Other Activities or Facilities.
- a. Financial Assistance. Applies to offering scholarship or other aid or assisting non-school organizations in the offerings of scholarships or other aid to students of this district.

- b. **Employment Assistance.** Applies to all efforts to place students in employment. The district shall, as part of any employment assistance program for students, ensure that all employment opportunities are made available without discrimination on the basis of sex and refuse participation in its student employment program to employers who would practice such discrimination.
- c. **Health and Insurance.** Applies to all health or insurance policies offered to students but does not prohibit providing benefits or services which may be used by different proportion of students of one sex than of the other, including family planning. If full coverage is provided, such coverage must include gynecological care.
- d. **Housing.** Nothing in this policy shall be interpreted as prohibiting the separation of students by sex in housing for field trips or other reasons. Such separate housing must be comparable in quality and availability.
- e. **Toilet, Locker, and Shower Facilities.** Separate toilet, locker, and shower facilities may be provided on the basis of sex. Such facilities shall be comparable to similar facilities provided for students of the other sex.

No rule on marital, family, or parental status that treats one sex different from the other sex shall be applied or enforced.

- 3. **District Employment Activities.** Applies to all aspects of the district's employment program, including, but not limited to, recruitment, advertising, process of application for employment, promotion, granting of tenure, termination, layoffs, wages, job assignments, leaves of absence of all types, fringe benefits, training programs, employer-sponsored programs, including social or recreational programs, and any other term, condition or privilege of employment. Specifically, the following personnel employment practices are prohibited:
 - a. **Tests.** Administration of any test or other criterion which has a disproportionately adverse affect on persons on the basis of sex unless it is a valid predictor of job success and alternative tests or criterion are unavailable;
 - b. **Recruitment.** Recruitment of employees from entities which furnish as applicants only or predominately members of one sex, if such action has, the effect of discriminating on the basis of sex;
 - c. **Compensation.** Establishment of rates of pay on the basis of sex;
 - d. **Job Classification.** Classification of jobs as being for males or females;
 - e. **Fringe Benefits.** Provision for fringe benefits on basis of sex; all fringe benefit plans must treat males and females equally;

- f. Marital and Parental Status. Any action based on marital or parental status; pregnancies are considered temporary disabilities for all job-related purposes and shall be accorded the same treatment by the district as are all other temporary disabilities. No inquiry shall be made by the district in job applications as to the marriage status of an applicant, including whether such applicant is "Miss or Mrs.". But, inquiry may be made as the sex of a job applicant for employment if made of all applicants and is not a basis for discrimination.
- g. Employment Advertising. Any expression of preference, limitation, or specification based on sex is a bona fide occupational qualification for the particular job in question.

C. Policy Enforcement. Board of Education has appointed the Superintendent of Schools Title IX Coordinator.

- 1. To ensure compliance with this policy, the Coordinator shall:
 - a. coordinate efforts of the district to comply with this policy;
 - b. develop, and ensure the maintenance of a filing system to keep records required under this policy;
 - c. investigate any complaints of violations of the policy;
 - d. administer the grievance procedure established in this policy; and
 - e. develop affirmative action programs, as appropriated; and
- 2. The Coordinators shall provide for the publication of this policy on an ongoing basis to students, parents, employees, prospective employees, and district employee unions or organizations, such publication to include the name, office address and phone number of the compliance administrator designated pursuant to this policy in paragraph C. 1., above.

D. Grievance Procedure. Any student or employee of this district who believes he or she has been discriminated against, denied a benefit, or excluded from participation, in any district education program or activity, on the basis of sex in violation of this policy, may file a written complaint with the compliance administrator designated in paragraph C. 1., of this policy above.

TITLE IX GRIEVANCE PROCEDURE

Grievance Procedure

Informal Procedures

If the person is not satisfied with such disposition of the matter, she or he shall have the right to file a grievance in writing.

Formal Procedures

If a person is not satisfied with the outcome of informal procedures, she or he may present his or her claim as a written grievance to the Title IX Coordinator. Within three (3) days, the Title IX Coordinator shall discuss this grievance with the Superintendent.

The Title IX Coordinator shall, within five (5) days after receipt of the written grievance, render a decision and reasons therefore in writing to the aggrieved person, with the copy signed by the superintendent.

If the aggrieved person is not satisfied with the disposition of his or her grievance he or she may, within three (3) days after the decision, file his or her written grievance with the Title IX Coordinator for referral to the Board of Education.

The Board of Education shall, within ten (10) days after receipt of the referral, meet with the aggrieved person and the Title IX Coordinator for the purpose of resolving the grievance. Grievance records of such hearings shall be kept by the Superintendent and made available to the parties in interest upon written request. The Board of Education shall, within five (5) days after the hearing, render their decision and the reasons therefore in writing to the aggrieved person, with a copy to the Title IX Coordinator.

If the aggrieved person is not satisfied with the disposition of his/her grievance, he or she may, within three (3) days after the decision, or within six (6) days after the board meeting, request in writing to the Board of Education that his or her grievance be submitted to arbitration.

The Chairperson of the Board and the person filing the grievance shall, within five (5) days after such written notice, jointly select a single arbitrator who is an impartial person to hear said grievance. If the parties are unable to agree upon an arbitrator within five (5) days, the American Arbitration Association shall immediately be called upon to select the single arbitrator. The arbitrator selected shall confer promptly with representatives of the Board and the aggrieved person. The arbitrator shall review the record of prior hearings and shall hold hearings with the aggrieved person and other parties in interest as he or she shall deem requisite.

The arbitrator shall render his or her decision in writing to all parties in interest, setting forth his or findings of fact, reasoning, and conclusions on the issues submitted and this decision shall be binding.

The costs of the services of the arbitrator shall be borne equally by the Board and the aggrieved person. The T.E.A. will pay the cost for its members.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits which permit the aggrieved person to proceed to the next step and failure at any step of this procedure to appeal a grievance within the specified time limits to the next step shall be deemed to be acceptance of the decision rendered at that step.
