ANNOUNCEMENT OF VACANCY

POSITION : Full-Time Computer Technician, SPCA Position

QUALIFICATIONS: An Associate Degree or 60 college credit hours is preferred or a minimum of one year of verifiable, successful computer repair experience within a corporate/business or academic environment.

DUTIES/RESPONSIBILITIES

- Install hardware, memory chips in computers and provide instruction on signing onto the network.
- Troubleshooting and resolve problems/issues related to computer devices.
- Set-up computers, printers, and other peripherals as requested
- Perform hardware and software installations and upgrades as requested.
- Organize the assignments, set priorities and meet established timelines for completion of work.
- Ability to explain technical concepts and procedures to end users.
- Maintain the integrity and confidentiality of the network infrastructure.
- Knowledge of Microsoft, Google, Zoom and other platforms is a plus
- Other duties as assigned by Superintendent and/or 21st Century Learning Director.

DEADLINE: Until Filled

EFFECTIVE: 2021-2022 School Year

SALARY RANGE: Commensurate with SPCA Agreement

APPLICATION: Complete Application on our District Website through AppliTrack. Send letter of interest, talents, resume, and (3) professional references to:
youngb@sd149.org

School District 149 considers applicants for all positions without regard to race, color religion, creed, gender, national origin, age, disability, marital or veteran status, or any other legally protected status.
