Occupation Based Certification with EPSB

As directed in [16 KAR 2:020](#), all candidates pursuing occupation-based teacher certification in Kentucky are required to:

- Complete Year 1 and 2 of New Teacher Institute (NTI) – Jodi Adams, Director: Jodi.Adams@education.ky.gov
- Have an Associate degree or higher in the content area (or Career and Technical Education). If candidate does not have at least an Associate degree in the technical area of the program they will be teaching (or Career and Technical Education), they will have six (6) years to obtain this degree, and must complete at least 6 college credit hours from the degree program each year. NTI will count as the required 6 college credit hours during NTI Year 1 and 2 for renewal purposes.

Prior to an offer of employment:

Candidate meets work experience criteria (4 years of experience in content area, 2 years of experience in the past 5 years). The state program consultant will verify eligible work experience.

There is no college degree required (at the time of hire). If candidate does not have a degree, the candidate will be required to take a general knowledge exam (requirements below).

After top candidate has been chosen and an offer of employment has been extended:
