The Catholic Diocese of Kalamazoo spans 9 counties in southwest Michigan and has 21 Catholic schools educating students in Preschool – Grade 12 in mind, body and spirit. Our schools serve both the faith community and society by educating children to contribute to the common good by becoming active and caring members of the communities, cities, and nation in which they live. Each of our 21 schools is dynamic and distinctive in their own way. They vary in size and are located in both urban and rural areas, but all share the same goal: to prepare students to live lives devoted to Christ through distinctive and dynamic academic experiences and service opportunities.
