

# JOIN OUR TEAM!

**KPBSD is seeking collaborative, dedicated, committed educators and specialists who believe all students can be successful.**

## Incentives

- **Moving expenses reimbursed up to \$5000 for certified positions**
- **Teacher discretionary money for classroom materials**
- **Additional incentives for remote school locations**
- **Summer teaching opportunities**
- **Low cost and free continuing education opportunities**
- **In-state years of experience accepted for salary placement: up to 12 eligible years**
- **Out-of-state years of experience accepted for salary placement: up to 6 eligible years with a bachelor's and up to 8 years with a master's**

## Support for You!

- **Dedicated district office Student Support Services team**
- **Special Education instructional coaching**
- **Ongoing professional development and training**
- **New teacher mentor program**

## What You Need to Know

- **Our special education staff work in a highly collaborative environment and are committed to creating a rigorous and rewarding atmosphere that leads to measurable student growth for all students.**
- **A multi-tiered system of support is in place at all schools**  
**Differentiated instruction is the norm. Students are screened three times a year using curriculum-based measures and diagnostic tools to determine the need for additional intervention support or enrichment.**
- **In our district, every student is everybody's student.**
