

Application Deadline: September 4, 2012

Auburn Career Center is accepting applications for the position of:

Patient Care Technician Instructor

Auburn Career Center is a public high school that provides career-technical training and academic courses for high school grades 11-12. In addition, Workforce Education Department offers training and educational opportunities for adults.

Starting Date: August 2012

Salary: TBD

Reports To: Designated Administrator

Work Week/Year: 185 Days

Minimum Requirements: In addition to the Job Description, applicant will teach and monitor the delivery of Patient Care Technician instruction to 11th and 12th grade students. You will prepare students with the knowledge, technical skills, and work habits required to pursue an entry-level position in various specialized employment areas encompassing the medical field. Present enthusiastic, well prepared, organized, and clear lectures and classroom activities consistent with the course syllabus. Continually promote the development and effective use of skills in areas such as critical and analytical thinking, evaluation, communication, problem solving and decision-making. The teaching assignments will include courses such as Health Care Career Clusters, Home Care Systems, Basic Anatomy and Physiology and Electrocardiography. Excellent communication skills. Proficiency in Microsoft Office 2007.

Qualifications: A valid Ohio Department of Education certificate/license in the Patient Care Technician field. Must hold a current State of Ohio state License as a RN required. Bachelor's Degree. Teaching experience preferred. Minimum of 3 years experience in the field required. Must have CPR Instructor's certification.

Apply To: Application can be found at www.auburncc.org (employment). Submit completed application, letter of interest, resume, transcripts, and reference letters.
