- D. Such other requirements as the Board may establish

REPORTS TO: Building Principal

JOB GOAL: Provide full-day instruction to students

POSITION DESCRIPTION:

The primary area of responsibility is teaching students in a classroom setting. The teacher supervises, instructs, and evaluates the work of students, aides, student teachers, and volunteers.

RESPONSIBILITIES:

- 1. Attends school, institutes, faculty meetings, and other assigned duties.
- 2. Is punctual in attending assigned duties and is conscientious in performing duties.
- 3. Revise plans on an ongoing basis, considering student needs, abilities, and interests.
- 4. Provides clear plans to enable a substitute to maintain meaningful instruction.
- 5. Adapt district curriculum to particular classroom situations.
- 6. Uses classroom time efficiently.
- 7. Is knowledgeable of the subject material.
- 8. Performs other job-related duties established by the Principal or School Board.

TERMS OF EMPLOYMENT: School year employee. Covered under the Basic Agreement between the North Boone Education Association and the North Boone Unit School District No. 200 Board of Education

EVALUATION: As stated in the Basic Agreement between the North Boone Education Association and the North Boone Community Unit School District No. 200 Board of Education.
