

## **Child Nutrition Uniform Requirements**

- **Uniforms**

- All employees are to wear black uniform scrub pants, utility pants or chef pants.
- No jean or knit material is allowed.
- Pants must be crop length or longer.
- Uniform tops will be provided by NHCS CN and shall be worn based on district uniform calendar.
- College shirts may be worn on Wednesday and school logo shirts may be worn on Fridays. If you choose not to wear college or school spirit shirts NHCS uniform tops must be worn.
- Uniform variance must be approved by CN Directors, Supervisor or Principal.
- Hairnets/hats/visors and aprons are considered part of the uniform and should be worn with the uniform.
- Shoes must be slip resistant and closed toed.

- **Personal Hygiene**

- Child Nutrition requirements for hair and body are designed to promote a professional appearance and to decrease opportunities for employees to contaminate foods.
- Employees are expected to bathe daily.

- **Appearance**

- Employees are wearing appropriate clothing when they begin work.
- Clothing and non-skid close-toed work shoes or non-skid tennis shoes should be clean.
- Employees must wear hairnets, caps, or visors effectively covering and restraining clean hair.
- Employees with beards or mustaches will keep them neat and trimmed.
- Beard restraints must be worn by employees who have a beard.
- Employees must have short and clean fingernails and may not wear nail polish or artificial nails.
- Due to the possibility of physical/biological contaminants employees are NOT permitted to wear jewelry on hands, face/ears, neck or forearms except for a plain wedding band. This includes medical bracelets.
- Due to the possibility of physical/biological contaminants employees are NOT permitted to wear false eyelashes.
